Please note that while income is the greatest factor in determining scholarship, there are many other factors we will consider, including lack of ability of parents to help child access nature due to disability, maternal health and recovery, lack of child access to peer groups, high need of child for this specific program, or extra costs your family bears such as high medical bills or legal costs. Attach relevant paperwork as needed and explain below. Use additional sheet of paper if necessary.

The Mayapple School offers a unique preschool program. What aspects of our program do you think your child would most benefit from? Or, why do you want your child to go to preschool?

Most scholarships awarded by The Mayapple School are awarded in conjunction with a work trade agreement, where the attending family agrees to perform services or provide goods for the benefit of The Mayapple School in exchange for a further reduction in tuition.
